

# WINE EDUCATION COURSES

*hosted by Old Bridge Cellars*

*The Wine Education Centre is the educational arm of Wines of Western Australia. It is the prime provider of wine education for consumers and trade in Western Australia, and has been providing quality wine education for over forty years.*

*The Wine Essentials Course is designed to increase your wine knowledge and develop your palate. The only prerequisite is a love of wine. It is also an appropriate course for those about to enter the wine trade, with a Certificate of Merit awarded upon completion.*

*Throughout the year, Old Bridge Cellars also hosts the Wine Education Centre's specialty wine courses. These are short courses which focus on a particular style or region. Find out about upcoming events via our websites.*
